HOPE PRESCHOOL

Update from the Trustees

As many of you are aware, we are working on a major project to build a new building for the preschool. This will allow the preschool to better serve the community. We have now submitted the resource consent to the council, with full approval from the neighbours. A building consent is currently being prepared with plans to commence building later this year.

Policy Review

The policy for review this month is:

Food Preparation and Consumption Procedure.

You will find a copy of this on the parent information notice board for comment.

From Te Whāriki

One of the principles of Te Whāriki, the early childhood curriculum is Holistic Development | Kotahitanga. It states that "Early childhood curriculum reflects the holistic way children learn and grow." (p.19)
Ove the next few weeks we will be focusing on whatumanawa, emotional development, with the children. We want the children to know that God made them with emotions, and learn appropriate ways of recognising and expressing their emotions.

Whakatuki

Tū mai e moko. Te whakaata o ō mātua. Te moko o ō tīpuna.

..Stand strong, O moko. The reflection of your parents. The blueprint of your ancestors.

From the Bible

For you created my inmost being; you knit me together in my mother's womb.
I praise you because I am fearfully and wonderfully made;
your works are wonderful,
I know that full well.
Psalm 139:13-14.

Things to note:

-Lisa will be away on leave from 23 August to 9 September. For anything non-urgent you can still email admin@hopepreschool.co.nz. For absences please text 0272037057 or phone 2037057.

-Please send a named wet bag or plastic bag for wet or dirty clothes.

-The children all have cubbies for their art work, we also put any belongings that are named in them, so it is a good idea to check these frequently.

- The speed limit in our car park is 10km. This is important as children can move very quickly from out behind cars.
