## Haere rā - Goodbye

There are some changes happening at Hope Preschool. Sarah is having a change of role.

“Just a wee note to let you know that I will be changing my teaching status from part time permanent to a relief teaching position, This will allow more flexible days and hours to enable me to attend my own family’s extracurricular activities. I will miss being a part of your regular teaching team on Mondays and Fridays here at Hope Preschool, however look forward to some totally irregular visits any day of the week!

Aroha nui and blessings”, Sarah Ashman.

Derik is also finishing as our chaplain. The children will miss his enthusiastic singing, and others of us will miss our morning coffees!

We wish both Sarah and Derik all the best.

**Things to note:**

-We do need to update records each time your child has an immunisation. Please bring us their plunket book to copy or get the medical centre to email us a copy of their records.

-Please send a named wet bag or plastic bag for wet or dirty clothes.

-The children all have cubbies for their art work, we also put any belongings that are named in them, so it is a good idea to check these frequently.

-The speed limit in our car park is 10km. This is important as children can move very quickly from out behind cars.

-Term Four will hopefully see some warmer days. Please start sending a named sunhat with your child for outside play next term.
